Snooki Oct. 30

Nicole "Snooki" Polizzi signs copies of her book "Snooki: Confessions of a Guidette" at Barnes & Noble in Las Vegas on October 30.

Snooki looked absolutely purr-fect while signing copies of her new book *Snooki: Confessions of a Guidette* at Barnes & Noble in Las Vegas this Sunday.

The *Jersey Shore* star rocked the signing on Halloween eve in a cat costume provided by Roma Costume.

While at the bookstore, Snooki even ran into a fan dressed like herself and tweeted a picture posing with her own doppelgänger.
